SOLDIER KING SMASHES 5-MILE RECORD AGAINST RELAY TEAM

Duke Kahanamoku Field Day Nets \$225.25 and Brings Out
Some First Class Sport—Sailors and Town Athletes
Break About Even.

The Duke Kahanamoku benefit field day, held at Athletic Park yesterday afternoon, was a success—a financial success and a sporting success. It netted \$225.25 in coin and some rather good track events and a snappy baseball game in performance. Although business was done on a cash basis, there was a lot of credit connected with the affair; credit to Charles Haddon, who did the manual labor of the promoting end, and to the local and fleet athletes who cheerfully donated their services to boost the chances of Duke and Vincent Genoves, the speedy island swimmers who will be given a chance to go after national and international honors on account of the good sportsmanship of the people of Honolulu in general and the active athletes of the city in particular.

The feature of yesterday's card, from the standpoint of performance, was the making of a new island 5-mile record by Soldier King, who clipped off the distance in 27:39.4-5. King is running in great form these days. He has been going after records with the announced intention of annexing them with considerable frequency of late, and he has been getting away with the goods, too. Before getting on his mark yesterday he said that he felt just like grabbing the 5-mile record from Jimmie Fitzgerald, and when the time was announced it was found to be exactly one second faster than the mark set by Fitzgerald at Alexander Field a few weeks ago, just prior to his departure for the Coast. King ran against a relay team composed of Hoao, Blumen-thal and Woodward.

It was about an even split between local and fleet athletes, each side taking four firsts and three seconds, while the sailors secured four thirds to the locals' one.

The results:

100-yard dash—Won by Lai Tin; Yamahiro second, Loughlin third. Time, 19.3.

220-yard dash—First heat: Yamahiro, first; Loughlin, second; Pettus, third; 1.11.5. No finish. Second heat: Woodward of the West Virginia, first; Suchy, second; Leever, no finish. Final: Woodward, first; Yamahiro, second; Loughlin, no finish. Time, 2:54.

One mile race—Hart, first; S. J. Woodward, of the Colorado, second; Birdsell, third. Times, respectively, 5:11, 5:15, 5:26. There were eight starters, the others being Thompson, Mikowski, Newkirk, Mauldin and Roncovieri.

One mile walk—Won by H. M. Ayres. Time, 9:5. The start was made against Botello, who was given 75 yards handicap, and Kahlawai, who was given 50 yards. Neither of the latter finished.

Three-mile bicycle race—D. Nawal, first; Yew Char, second; Guerrero, third. Time, 19:18.

440-yard dash—Woodward, first; Reeves, second; Kahlawai, third; Hobbs, fourth; Hope, no finish. Time, 58 flat.

880-yard dash—Farren, Colorado, first; Anderson, West Virginia, second; Knowles, South Dakota, third; Thompson, fourth; Lo Yip, no finish. Time, 2:51.2.

SATURDAY'S DEFEAT PUTS MAILES PRACTICALLY OUT OF CUP RACE

That long-expected brace of the Healanis came in Saturday's game with Mailes. When the battling men edged out a 1 to 0 victory, after a close and exciting game. From the opening of the season soccer fans have been calling the Healanis a team of "comers" and predicting that when they perfected their combination and began to use their heads as well as their heels, they would make an aggregation that any team in the league would have hard work to beat. In Saturday's game they seemed to find themselves, and throwing themselves into the high gear right from the whistle, they played the aggressive Mailes right off their feet in the first half. Frank Coombs scored the lone goal of the game, in the first half.

The Kams jumped into the point column for the first time by drawing a no-score game with Punahou. This was the big surprise of the day, for the champions had been conceding an easy thing with the local boys. The Punahou team looked like a swimming-bulldog society out for an evening's game of the ridges. They played without snap, and were continually laying off next week, leaving them only waiting for their opponents to come to them with the ball instead of charging with any degree of determination.

EVERY RUNNER MUST FINISH

Punahou and Kamehameha have come together over the proposition of interschool cross-country runs, and arrangements have been made for two events, the aggregate scores to determine the championship. The dates set are January 29 and February 7, the first run to be from Kapiolani Park to Thomas Square and the second from the Kam campus to Fort Shafter and return, the same course that Kamehameha distance men have been making in the cross-country series now in progress.

Twelve men will comprise each team, and by the system of scoring agreed on, the first man in will be credited with 1 point, the second with 2, and so on up to the fatal 24. In order to make it a race every foot of the way a time limit of half an hour has been fixed, and runners not finishing within that time will be charged with the full

FLEET CHAMPIONS LOSE BALL GAME TO ALL-HAWAII

Snappy and Scrappy Game
Ends With Locals on Long
End of Score.

The fleet champions went down to defeat before the local ball-tossers yesterday afternoon in a game that was full of snappy play and would have been interesting throughout had the score been closer. The All-Hawais and the West Virginias were the contestants, and the former had their run-getting clothes on, winning by a score of 6 to 1.

The game was the wind-up of the benefit field day for the Duke Kahanamoku fund, and partisan feeling ran high. In the fifth there came near being a good old-fashioned riot over a decision, the West Virginias marching off the field and requiring some persuasion before marching back again. Hits were about evenly divided, but the locals had the better of the luck break, and played tighter ball all round.

LOCALS TO BOOST NAVY

Fleet Meet to Be Held Next
Sunday for Navy Relief
Society Fund.

Turn about's fair play, and, following this time-honored adage, Honolulu athletes are going to turn to and boost for the success of the fleet field day to be given Sunday next at Athletic Park, for the benefit of the Navy Relief Society. The success of yesterday's meet for the Duke fund was largely due to the sailor athletes, and their willingness to donate their services and also to postpone their own meet so that there would be no conflicting dates.

A program of track events and a ball game is being arranged by Lieutenant Jesse B. Gay, athletic officer of the cruiser West Virginia. Mr. Gay has gone to sea with his ship, and will not return until Thursday, but Charles Barron has undertaken the preliminary arrangements for the meet, and will have everything in working order when the West Virginia returns.

There is a good chance that the ball game will be a return contest between the West Virginias and All-Hawais.

Following is the program of track events: 100 yards, 220 yards, 440 yards, 880 yards, one mile run, one mile walk between H. M. Ayres, Nigel Jackson and Paddy Walsh.

A. A. U. AWAITING WORD.

By tonight local officials of the A. A. U. expect to know the exact date of the national swimming championships, to which it is planned to send Duke Kahanamoku and Vincent Genoves, and to be in possession of all data necessary to send on the entries of the local athletes.

"I sent a second cable asking for the dates and entry particulars last Saturday, and expect an answer some time today," said G. H. Tuttle, president of the local branch of the A. A. U., this morning. "My understanding is that the championships will be held some time during the latter part of February, but we have had no official information here."

President Tuttle is keenly interested in the project of sending the island swimmers East. He believes it would be a great thing for sport in Hawaii and has every confidence in the ability of the local boys to make good.

ONLY EIGHT CARDS RETURNED IN PLAY FOR GOLF TROPHY

Course and Weather Favorable
to Good Scores Which
Didn't Materialize.

Only eight cards were returned in the president's trophy event played at the Country Club Saturday and Sunday. Both days were perfect for golf, but perfect golf was quite another matter. About two-thirds of the cards were torn up with appropriate ceremonies, when bad play or bad fortune or a combination of both put man after man out of the running.

However, those who failed so miserably this month have the consolation of knowing that they will have eleven more chances to redeem themselves. The trophy, a handsome silver putter offered by President J. D. McInerney, is played for the third Saturday and following Sunday of each month, handicapped medal play, each player, however, being limited to 18 holes of competition, which must be his first two rounds of either day.

E. P. Morse, with a net 79, was low man for the January play. This is bound to be bettered before long, and, to judge by last year's play for the trophy, the winning score for the entire series will be somewhere in the 60s.

Following were the cards returned:

| | 1st | 2nd | T. Hcp. | Net |

CHINESE ATHLETIC CLUB'S ELECTION

The annual meeting of the Hawaiian Chinese Athletic Club was held last Saturday.

The following officers were elected: Manager, W. Tin Chong; secretary, Philip Chang; captain, Sherry Tyau; treasurer, Henry Heu.

Players of the Oahu team are getting restless for a crack at the ball. The army contingent is getting a long start in practice, and already there have been a number of matches on the Lelechu grounds. The locals figure that it will take them at least two months to get into shape for fast play, and that they should get some hard practice matches before lining up for the island championships next summer.

No world's championship tennis match between R. Sinclair and J. O'Dowda at Beretania Saturday. Wet grounds.

The fight bee is buzzing again. Who'll be stung this time?
